

## BOLC III UNIFORM LIST

The chart on the next page has a list of the minimum uniform items required for all students in accordance with AR 670-1. An accountability inspection for these items will be held within the first two weeks of the course. If you don't have something, buy it.

You will be issued a complete set of TA-50 upon arrival at Engineer BOLC III, but you will not be issued Gore-Tex, polypropylene, sweatband for Kevlar, or pile caps. Read AR 670-1, Appendices B-E (page 330), which tells you which uniform items you are required to have/purchase.

The beret is worn during regular duty days; however, you will also need an ACU patrol cap.

**ENGINEER SCHOOL PATCH:** Only your follow-on assignment patch, NG/USAR unit patch, or the U.S. Army Engineer School patch (shown below) is authorized. If you can't get one of these at your current location, contact the Fort Leonard Wood Military Clothing Sales at (573) 596-0131 ext 6-1502 for assistance.

**ENGINEER BUTTONS:** All students, regardless of component, are required to have engineer buttons on their Greens and Blues.

Clothing bag list (minimum quantity for all Officers)		
Duty Uniforms	Service and Dress Uniforms	TA-50
<p>Army Combat Uniform (ACU):</p> <ol style="list-style-type: none"> <li>1. Belt, web, tan (2)</li> <li>2. Boots, combat, leather, tan (2 pr)</li> <li>3. Cap, beret, black (2)</li> <li>4.
